

## Compass Keyring

Very smart in design and construction. A functional compass is the centrepiece of this quality keyring. What we like the most is..... the impressive inscription on the back of the compass. The engraved inscription reads "Be safe in your travels". The perfect sentiment for every Dad, whether travelling to work, on business trips or perhaps those treasured family camping adventures. Durable, light in weight and compact - wonderfully secure to hold Dad's keys. Comes smartly packaged in a black gift box which measures 11 x 5 x 1.2cm.Expect to pay \$9.95+.
