Description

Wonderful Moulded Handed with Removable Adjustable Screwdriver Rod

Perfectly shaped for a man's masculine hand - with its' super comfy sculptured grip – which can be modified from 'standard' to 'T-handle' in moments.

It has a reversible rod that is cross-cut on one end and flat-head on the other.

Simply put out - turnaround – re-insert and you another screwdriver.

The shaft also has notches along its length which will allow Dad to adjust the length from long to shorter, as he requires for every individual job.

The removable rod shaft measures 17.5cms in length.

The bonus is the insertion fitting - in the side of the handle - which allows Dad to have greater torque and leverage when the screwdriver is used

Under \$3 : Deluxe Double Ended Screwdriver

as a 'T-handle' screwdriver.
