### Description

With its unique shape and structure, this frame is truly a wonderful gift.

A very solid, sturdy and weighty frame gives this gift such class and quality.

The front of the frame is clear acrylic and is a convex shape, while the back of the frame is black acrylic.

Four strong magnets hold the two sides of the frame together.

Just slide the two sides apart to place your favourite photo inside.

Measures 20 x 15 x 2.7cm (at highest point) & weighs a mighty 750gms.
