Description

FOX'S GLACIER FRUITS - CLEARLY A BETTER SWEET!

Using concentrated fruit juices and no artificial colours we ensure that only the best ingredients are used in Fox's Glacier Fruits.

FOX'S... Our beautiful loaf-shaped Glacier sweets are boiled to a high temperature giving you a pure clear sweet that connoisseurs have enjoyed for over 100 years. The range includes, but is not limited to, the famously refreshing Glacier Mints and also the delicious Glacier Fruits – available in bulk here. (The Glacier Fruits are my favourite!)

All the sweets are wax wrapped giving you the assurance of a quality product that is great for sharing on a journey or just as a treat for you to enjoy.

Perfect for your latest conferences, counters, and receptions... with each sweet individually wrapped!

Back in 1897 the Fox family started producing sweets. ERIC FOX first established the Fox's Glacier Mints in 1918. Their sweets, plus delicious new varieties, are still being produced today - under the watchful eye of 'PEPPY' the UK's favourite bear.
