Description

If Dad loves his golf, he is sure to love his new Golfing Cap, his 'DAD' personalised Micro Fibre Cloth and his 'DAD' Divot Repairer Tool - this Father's Day.

The cap is perfect for everyday wear ... it is a snug fitting cap with an adjustable velcro strap and comes in a fashionable mushroom shade with an impressive Chocolate & White highlighted logo.

The Blue Mirco Fibre Cloth has 101 uses around the home but on the golf course will be great for mopping Dad's brow or cleaning off his clubs or ball - ready for that perfect shot!

The Dad Divot Repairer will be perfect for repairing the green after that hole-in-One! (Please note this is only a repairer - does not serve as a ball marker)

A perfect finishing touch to Dad's Golf Gift Pack - our especially printed 'Happy Father's Day' gift bag
