Description

Mum will Treasure this Keepsake Gift!

Surprise your Mums with this exquisite heart bookmark. Practical and sentimental.

The heart-shaped, twist-pendant has '**MUM**' laser engraved on it and the heart swivels, allowing the bookmark stem to be placed inside the book.

Once in use, the personalised heart pendant hangs over the spine of the book - so it is beautifully visible - while minding Mum's page.

Comes in a gift box especially designed for us here at Unique Elegance with '**Mum**' printed on the posh lid.

The gift box measures 15.5 x 4 x 2.2cm.
