Description

Mum can impress with these Luxurious Nail Accessories!

Mum can use these nail art tools to beautify her nails - whether natural or artificial nails. The potential is only limited to Mum's imagination. And if she needs inspiration there are countless segments on YouTube that demonstrate the techniques that she can go crazy with...

Mum will soon become a professional with the Nail Dotting Tool and the Nail Art Brush.

All she needs to add is her favourite range of nail polish colours and she is set to go. She can create lots of beautiful flower designs, dots or geometric designs. This set also includes a cosmetic bag - designs may vary.
