### Description

Wonderful for our Cricket Fans.

This image is not for sale. It is a registered trademark of the manufacturer.

The act of repeatedly squeezing this stress ball will release tension, while it assists in relaxing the body, improving circulation and consequently improving nightly sleep.

Just what Dad and/or Pop need.

When the game is not going Dad's way - this stress-relieving cushion will soften Dad's mood and improve his day!

Measures approximately 6cm in diameter.
