Description

Over 3000 Years in the Making!

Anyone familiar with Ancient Egypt knows the mystique and sheer beauty of the many ancient sites and treasures left behind thousands of years ago.

These Tutankhamun treasures are perhaps the most famous and popular of them all.

The front and back magnetic covers are adorned with some of these treasures.

Image is for illustration only. Actual item may vary slightly from image.

These items are not intended to be used as a substitute for professional advice. Please consult your doctor or other qualified health care provider for more information.

The concertina style insert is ideal for recording addresses, notes, laptop IT codes, website access codes etc -

That we all need on the move, these days - particularly ideal when travelling.
