Description

Silvertone, Gold and Diamantes!

This stunning gold and silver toned diamonte heart keyring has 3 sparkling diamonte jewels placed within the heart shaped pendant. Around the diamontes there are enchanted oval goldtone patterns.

The silver and gold tone features, along with its slightly abstract shape of the heart pendant really makes this piece elegant and very classy. And the sturdy key ring will hold Mum's or that special lady's keys very securely. Comes in a black plush box which measures 11 cm x 5 cm x 1.2cm.

A great quality gift for your loved one!
