Description

## Assorted Stylish Embroidered Scarves

---

Versatile in size, measuring approximately 180cm x 45cm.

Perfect to wear as a scarf. However, fold over as a hair tie and dress up your bun or ponytail.

You can even dress up your tote or better still, thread through your pants loops and wear as a sash or belt.

Best of all – it feels super comfy to wear and folds up to next-to-nothing if at any time you want to pop it into your handbag or suitcase.
