Description

A stunning bracelet with a large flat Agate gemstone as its main Centrepiece. Agate has been used since ancient times to make beautiful jewellery and is said to lift your spirits and welcome good luck and fortune. The Agate is set amongst stylish beads and pretty spacers which are placed perfectly along the elastic strand. Silver-tone coils add to the decadence while this bracelet is super comfy to wear with its elasticised design.

Comes assorted in mixed colours - as per graphic.
