Description

We Promise.. You will be Impressed with the Quality!

'A must-have' gift to reflect our many wonderful
multi-cultural families. A heart-shaped acrylic pendant, printed with..... "Love you, Grandma".

Our parents-Mum's each have a special (personal) name. With this cleverly designed keyring, we hope to have covered lots of those special names in many global languages. (Apologies to those not included).

Made from quality, solid acrylic, with a sturdy keyring loop - to keep Grandma's keys securely in place.

Sure to become a favourite! The pendant measures 5 x 5 x 0.7cm (at widest points).

Expect to pay \$5.95 in boutique gift stores.
