Description

Muscles Not Required!

Are you, like me, tired of hurting your skin and hands, while struggling to open jam jars or simmer sauce tubs, while trying to prepare dinner?

If so, you will love to have one of these handy gadgets in your kitchen drawer.

It will give Dad a break as Mum will not need to holler for assistance from her muscle man.... when she can open the jar with ease with this little gripping buddy!

Comes in assorted colours.

Super Handy and So Practical Too!
