### Description

**A Super Collection of Quality Hair product and accessory gift lines for Mums with Highlights or Colour-Enhanced Hair... which is pretty well most of us these days!**

With extremely hectic family lives... Mums often forget to pamper themselves once in a while - and too often the hair is most neglected.

This luxury John Frieda Intense Conditioner will help lock in colour and protect it from fading. Mum can keep her hair feeling soft, silky and luxurious after each and every use.

Perfect for that weekly pamper routine.

And for in-between wash days... the Pearl Beaded Hair Tie is perfect for a simple ponytail or braid. Or on a really bad-hair-day use the fabulous Linziclip for an easy up-do.

## **5 Star Review - Great for bleached hair...**

**Finally found a conditioner that helps smooth my damaged hair from having highlights previously. Smells lovely and makes brushing my hair a dream.**
