Description

These novelty mop slippers turn an ordinary boring task
into something fun and somewhat special!

Designed for those little-spot clean jobs. Rather than continually bending down with a damp cloth - instead pop on your slippers and clean faster, easier and with much less effort. Perfect for use on wooden floors, linoleum or tiles.

Easy to rinse clean and dry on line for frequent use.

Stretchy, so one size fits most to Size 9.5 ladies.

Mum's back will be forever grateful!
