Description

If I had to chose the highlight of this gift set – it would have to be the beautiful quality Australian Made 90gm soap from Colonial Girl.

It teams up beautifully with the Mum Embroidered Cloth and the Love Heart Soap Drainer This nifty soap dish is pretty with a clever robust design. Looks good and at the same time keeps your bath soap healthy. Comes in two parts for easy drainage and cleaning. Measures 12.5cm at widest and 3cm in height. Assorted in sage green and sky blue colours.

All these goodies fit perfectly into our Heart Design Gift Bag which is also included.
