Description

For all those Mums having trouble remembering website addresses, usernames, and passwords...

This handy Passwords book will be worth its weight in gold!

More than 85 alphabetically organised pages offer all the space she will need to record sensitive information in one place.

Plus, measuring 14 x 9 x 1.2cm, this conveniently-sized journal will easily fit in a safe and secure location - when not in use.

With an elasticised closure strap and a handy, retractable mini pen attached - so always-at-the-ready.

For better online management and safety

-- Never use the same password twice.

-- The longer your password, the longer it will take to crack.

-- Store your password **off** the computer.

With this book, create and keep unique and difficult passwords and log-in names with ease.
