### Description

Sure to give Mum's Day &

Every Day a well Deserved Lift!

The superior luxury in this gift pack is the Orchid body wash from Colonial Girl. A generous 250ml size, quality Australian-Made product, which will leave Mum's skin smelling sweet and feeling fresh.

Mum can use her gorgeous body wash with the Pink bath puff or the 'Mum' embroidered microfibre cloth. And after a long soak, with her hair up in Linziclips (comes in assorted colours), and using her exfoliating mitt - Mum can finally feel relaxed and perhaps give her nails a once over with the Pink heart-shaped emery board.
