Description

What a great gift for our Mums & Dads.

They can enjoy doing their sudoku puzzles without the frustration of crossing out, rubbing out or dealing with illegible numbers!

A challenging game for everyone – 6 years plus. The rules of Sudoku are extremely simple. Fill in the empty boxes so that the numbers 1 through 9 will appear only once in each column, row and 3 x 3 region.

The set contains everything you need for the puzzle lover – including the player board, Sudoku Tiles, 44 Puzzles sheets – with gradually increasing levels of difficulty. Plus a detailed Instruction Leaflet and Step by Step Solutions Page.

Box Measures 19.5 x 16 x 2.3cm.
