Description

Infused with Minerals... Mum will find it almost effortless to create the perfect look.

The Bronze Architect palette is a versatile, easy to use powder set - Mum can contour, stroke, highlight, blush and glow.

The four colours are highly pigmented and designed to apply with ease over foundation and then blend just as easily.

Mum can get that natural shimmer and bronzed goddess look all year round with Sunkissed cosmetics.

Say goodbye to dull winter skin - Sunkissed Bronze Architect Palette is the perfect way to add some life back into your face.

The bronzer is perfect for adding a hint of warmth to your complexion, while the highlighter and blush add a touch of brightness and radiance.

The contour shade is perfect for adding definition to your features to complete your look.

With 7.5g of product, this palette is perfect for both basic and more elaborate makeup looks. Sunkissed Bronze Architect Face Palette 1 x 7.5g
