Description

Dress up that Casual Outfit!

We are thrilled to offer you these trendy neck wraps. The wrap is shaped like a rubber band - so has no beginning and no end.

To wear, Mum just pops it over her head, twists, then pop over again - simple.

Very versatile in use and easy to wear - as no special knots or folds etc. Made from a stretch jersey-like material, the design is complemented with pretty beaded tassels.

Comes in assorted colours - Pale Pink, White and Black.
